# Top Floor Top Prizes Raffle Rules

Tickets are \$5 for a single ticket or \$20 for 5 tickets. Drawings will be held daily throughout the month of February and a prize is awarded each day, as shown on the calendar. There is no limit to how many tickets you can buy – more tickets means more chances to win!! Winners will be posted daily (first name and last initial) on Facebook and contacted directly that day by our Director.

**All tickets must be purchased by January 31<sup>st</sup> 2025. Return completed tickets and payment to Top Floor Learning at 1455 N. Main St Palmer MA.** At that time, all the tickets will be put into the Bucket of Chance and shaken. From then, one ticket will be drawn daily for that day's prize.

Tickets can be purchased at Top Floor Learning, Monday-Thursday 10am-2pm, plus due to their great generosity, **Mandarin Wilbraham** and **POST Computer Systems**, during their normal business hours. You can print your own tickets off at home from our website: [www.topfloorlearning.org](http://www.topfloorlearning.org) and we will have tickets available at all ticket purchasing locations.

**We could not have done this without our very generous donors! Thank you!**

And also to our very kind private donors who provided gift cards, cash, and other prizes.
